# **SAINT GENEVIEVE HIGH SCHOOL**

*“To know God, to live with honor, to change the world”*

### **School Overview**

St. Genevieve High School is a private, coed Catholic high school in Panorama City, in the heart of the San Fernando Valley. The school was founded in 1959 and named after Saint Genevieve, a fifth century nun whose prayers helped save Paris from an invasion by Attila the Hun. St. Gen’s prepares students for their future by providing a quality academic and moral education

Because we’re a small school, our teachers, coaches, and administrators give one-on-one attention to every student. No one gets lost on campus; nobody falls through the cracks in our classes.

St. Genevieve graduates aren’t only ready for college – they’re prepared for life.

Our alums are responsible, Christ-centered citizens. They’re effective communicators, technology users and collaborative workers. They’re critical thinkers, problem solvers and lifelong learners.

In short, they’re young men and women of character prepared to lead.
